

A Weekly Update
For The Employees of

NEWS YOU CAN USE

WEEKLY CONNECTION WITH GARY OLSEN

For those employees who read my *News You Can Use* articles, you know that I am a huge Packers fan. Because of this, I really enjoy reading about the new players who the Packers draft. I love watching the new talent and wondering how they are going to play once preseason starts. So, this week I will be listening to pod casts and reading all the information I can find regarding the newly

drafted players for the Packers. Without having great players and a great team, the Packers would not be a Super Bowl contender.

NCHC might not be trying to win a Super Bowl, but it is because of our staff that NCHC is known as a great person-centered organization. There are other individuals who partner with us to help make us a great person-centered organization – our VOLUNTEERS. April is Volunteer Recognition month and I want to give a HUGE Shout Out not only to our volunteers, but to employees who help with our Volunteer Program like Sarah Mesenberg, Mary Seehafer, and Brianna VandenHeuvel. Currently, we have approximately 55 active volunteers at Mount View and Pine Crest, and even a few canine volunteers. Without these wonderful volunteers, we would not be able to provide some of our great person-centered service.

Our volunteers serve in a variety of roles including, but not limited to, assisting with resident activities like BINGO and religious services, serving in our gift shop, assisting with community outings, playing music, appointment ride-a-longs, 1:1 visits, and assisting Health Information Management. Our volunteers selflessly give of their time and talents to give back to our community and do so with joy and commitment. Our volunteers aid in enhancing the quality of life for those we serve.

On Monday 4/24, we held a Volunteer Recognition Luncheon at Mount View Care Center to celebrate the service of our volunteers. They were treated to a tasty meal, a little entertainment by the activity team and a few residents, raffle baskets, a thank you from our MVCC Administrator, celebration of our Volunteer of the Year, and annual education. At Pine Crest, volunteers received a personalized gift tote and huge thanks and shout outs on social media from the community.

The partnership we share with our volunteers is very important to the entire organization and one of our Core Values that speaks volumes to those we serve. Thank you, volunteers, for your partnership to NCHC. We're so incredibly grateful you are part of NCHC's Super Bowl Team!

SAFETY REMINDERS
Please Slow Down, Stay Safe in Parking Lots!

When you're driving in our parking lots, a lot is going on. It's Spring! The weather is nice, so more people are walking around, cars are moving in and out, and there are construction crews and facilities vehicles. That's why it's super important to be careful. We have recently received some complaints about parking lot speed.

So, let's all slow down when we're driving in parking lots to keep everyone safe!

SKIN SCREENINGS ARE OPEN TO ALL EMPLOYEES & DEPENDENTS REGARDLESS OF HEALTH INSURANCE ENROLLMENT.

Free Skin Cancer Screening

Melanoma is the most fatal form of skin cancer in the United States. Anyone can get skin cancer, but it is more common in people who are light skinned, have a history of sunburns, a family history or over age 50. But if found early, skin cancer can be treated with removal only before it has spread to other areas of the body.
