

A Weekly Update For The Employees of North Central Health Care

Wausau Campus Green Space

NEWS YOU CAN USE

WEEKLY CONNECTION WITH JASON HAKE

As we conclude the Memorial Day weekend, we hope you had the opportunity to pause and reflect on the significance of this important holiday. Memorial Day, observed on the last Monday of May, is a time for us to honor and remember the brave men and women who made the ultimate sacrifice while serving in the United States Armed Forces.

A poignant fact about this day is that it originated as Decoration Day after the Civil War in 1868, when people would decorate the graves of fallen soldiers with flowers. This tradition has evolved into the national holiday we now

observe, serving as a reminder of the cost of our freedoms and the sacrifices made by those in service to our country.

We hope you were able to spend quality time with family and friends, whether it was through gatherings, barbecues, or simply relaxing at home. These moments of togetherness are invaluable, creating lasting memories and strengthening our bonds with those we care about.

At NCHC, we emphasize the importance of Person-Centered Service through effective communication, listening to understand, and building meaningful relationships. This approach is just as important in our personal lives. Understanding and honoring the personal stories and sacrifices of our loved ones deepens our connections and enhances our appreciation for each other.

As we enjoyed the long weekend, we also took this time to recharge and reconnect with those we care about. Spending quality time with family and friends is not only a great way to honor the spirit of the holiday but also essential for our well-being.

Thank you for your dedication and hard work. We are grateful for the commitment each of you brings to our team. Let's continue to embody the values of respect, remembrance, and person-centered service in everything we do.

SAFETY REMINDERS Please Slow Down, Stay Safe in Parking Lots!

When you're driving in our parking lots, a lot is going on. We have new buildings, walking trails and things to look at. That means increased pedestrians, cars moving in and out, along with construction crews and facilities vehicles. That's why it's super important to be careful. So, let's all slow down when we're driving in parking lots and around our neighborhoods. Let's keep everyone safe!

PHISHING ALERT! Cybersecurity Awareness

CCITC has been alerted to an email recently sent from an address appearing to be from Gary Olsen, NCHC Executive Director. The email requests recipients to reply via email to assist with a request.

This is NOT an email from Gary Olsen.

If you received the email, please DO NOT reply. You can simply delete the email as CCITC has been made aware. If you did reply, please contact the Help Desk immediately at helpdesk@co.marathon.wi.us or 715.261.6710 or x6710

SKIN SCREENINGS ARE OPEN TO ALL EMPLOYEES & DEPENDENTS REGARDLESS OF HEALTH INSURANCE ENROLLMENT.

Free Skin Cancer Screening

Melanoma is the most fatal form of skin cancer in the United States. Anyone can get skin cancer, but it is more common in people who are light skinned, have a history of sunburns, a family history or over age 50. But if found early, skin cancer can be treated with removal only before it has spread to other areas of the body.

2 Dates Still Available!

Tuesday, June 11 | 8:00 - 11:00 am
Thursday, June 27 | 2:00 - 6:00 pm

Appointments required

If not able to make these specific days, skin cancer screenings can still be scheduled at the Employee Health & Wellness Center for a date and time that is convenient.

PHOTOS OF THE WEEK

PHOTOS OF THE WEEK Wausau Campus Green Space and Field

We are all very excited to see the Wausau Campus renovations coming to a close. The fences have come down and the dirt piles are being smoothed over to make way for green space off of Marshall and Kent Streets. No one is more excited than Troy Torgerson of Marathon County Facilities & Capital Management (below). This means the conclusion of a 5-year construction project! Thanks for the photos Troy. Now for Mother Nature to take over and grow some grass!
